Contents

Customer Behavior

A Probe into Online Shopping Behavior Intention
Ming-Shen Wang, Chih-Chung Chen, Su-Chao Chang, Yung-Her Yang, National Cheng-Kung University

The Moderating Effect of Service Failure on the Consumers’ Attitude to Service Failure Recovery in Online Hedonic Services
Cui Xiling Celine, The Chinese University of Hong Kong

Customer Relationship Management

The Marketing and Consumer Behaviour of Audiotex Chatlines
Lynn L. K. Lim, Parveen Banu, University of Wales

Customer Relationship Management (CRM) Systems that Manage Customer Relations: A Survey of Theory and Practice
C.H. Sophie Lee, California State University

The Application of Customer Management Strategies Using Internet Commerce in the Australian Energy Industry
Peter Maher, Peter Steane, Macquarie University

Customer Relationship Management and Financial Services: the Effects Of CRM Practices, and Multiple Channels on Loyalty
Ja-Shen Chen, Russell K.H. Ching, Yuan Ze University

Decision Models and Application

An Examination of the Relationship between Control, Partners Needs, Commitment and Conflict in International Joint Ventures
Craig C. Julian, University of Southern Queensland

Assisting the Australian Furniture Manufacturing Industry Using QFD: Voice of the Customer Collection and Preparation
Dean W. K. Smith, Robert A. Hunt, The University of Melbourne

Apply Uncertain Multiple Attributes Decision Making and Constructivism to Evaluating an E-Learning Software for Juvenile
Jin-Chern Lin, Kuo-Chiang Wu, Tatung University

A Decision Framework for Managing Technological Change: the Small Manufacturing Firms
Kam B. Chung, Nanyang Technological University

ICT Governance: a Decision Making Tool for Organization’s ICT Strategies
Mehdi Asgarkhani, Faculty of Commerce, CPIT

A Risk-Transferring Algorithm and Optimization Model for Information System
Juan Yu, Shifeng Liu, Mincong Tang, Beijing Jiaotong University

Multi-Criteria Decision Analysis Software for Uncertain and Imprecise Information
Jim Idefeldt, Mats Danielson, Mid Sweden University

Project Portfolio Management and Enterprise Decision Making: Benchmarking Practices and Outcomes
Catherine P. Killen, Robert A. Hunt, Elko J. Kleinschmidt, University of Technology Sydney

An Application of Box-Jenkins Method in the Forecasting of Quantity of Thai Rice Export
Rujirek Boosawongse, King Mongkut Institute of Technology Ladkrabang
A Prescriptive Group Decision Making Method under Linearly Specified Preference Information  
Byeong Seok Ahn, Sang Hyun Choi, Hansung University  

Information Utility Its Application to Decision Making Behavior  
Changjun Dai, Donghua University  

Strategic Integration of Information Technology Investment Decisions  
Ziqi Liao, Hong Kong Baptist University  

Strategic planning for business sustainable development - a case study in GIS industry  
Lihua Zhao, Hongwei Lu, The University Of New South Wales  

A Modular Subroutine Selection Process Based on Needs Classification Scheme  
Sohail Asghar, Damminda Alahakoon, Leonid Churilov, Monash University  

Inventory and Pricing Decisions in a 3-Tier Supply Chain  
Henry C. Co, Ping Feng, Yuanjie He, California Polytechnic and State University  

DSS / AI / Expert Systems  

A Comparison of Discriminant Analysis and Neural Networks to the Classification Problem of Non-Life Insurance Companies  
Atthirawong, W. and Phannalee, R., King Mongkut’s University of Technology Thonburi  

Conceptual Modelling and Development of an Intelligent Agent-Assisted Decision Support System for Anti-Money Laundering  
Caddie Shijia Gao, Dongming Xu, University of Queensland  

Some Reflections on Collecting Data in Virtual Communities: a Case Study  
Honglei Li, The Chinese University of Hong Kong  

The Innovations and Service Excellence in Web Services Composition  
Wen Yau Liang, National Changhua University of Education  

Shah J. Miah, John Gammack, Don Kerr, Griffith University  

Integrating GIS and BCG Model for Marketing Strategic Planning  
Hongwei Lu, Lihua Zhao, The University Of New South Wales  

Supply Chain Network Design in Uncertain Environment  
Xiaoyu Ji, Xiande Zhao, Renmin University of China  

E-Business  

Technology Acceptance of a Travel Website: an Exploratory Study  
Margaret Meiling Luo, William Remus, Pauline J. Sheldon, Yuan-Ze University  

Understand Weblogs Continuance: an Empirical Study of Influencing Factors  
Chechen Liao, Ting-Jen Chen, National Chung Cheng University  

Assessing Anti-Phishing Preparedness among Hong Kong Banks  
Indranil Bose, Alvin Leung, The University of Hong Kong  

Developing a Navigation Evaluation Framework for Business Web Sites: Based on Wayfinding Theory  
Benjamin Lum, Byounggu Choi, Simon K. Poon, University of Sydney

Physical or Digital - Factors Drive Consumers to Purchase Digital Music
Chechen Liao, Yuting Lu, National Chung Cheng University

Online Auction Effectiveness: Optimal Selling Strategy for Online Auction Market
Chechen Liao, Chiao-Ying Chen, National Chung Cheng University

Virtual Experiential Marketing on Online Purchase Intention
Josephine Chu-chi Liu, Ju-Shen Chen, Yuan Ze University

The Antecedents of Consumers’ Loyalty Toward Online Store
Cheng-Wei Shaw, Shi-Woei Lin, Yuan Ze University

Three Phase Checking against Phishing and Pharming Attacks
Omer Mahmood, Charles Darwin University

Social Software Applications in Business: Opportunities for Competitive Advantage?
P. Candace Deans, Rick Thornton, University of Richmond

Geographical Considerations in Electronic Commerce
Ziqi Liao, Hong Kong Baptist University

Ontology Extraction for the Semantic Web: a New Framework
Feng Li, Ying Wei, South China University of Technology

The Management of a Website’s Historical Resources
David Chao, Sam Gill, San Francisco State University

The Factors Affecting the Use and Satisfaction of Blogs
Su-Yeon Kim, Sang-Pyo Yeo, Hyun-Seok Hwang, Daegu University

A Proposed Model of Online Trust
Shi-Woei Lin, Wei-Tein Hung, Yuan Ze University

Destination Positioning and Brand Elements: An Evaluation of NTO Websites
Varintra Sirisuthikul, Monash University

Education

University-Industry Biotechnology Research Collaborations in Australia: a Pilot Study on the Role of Trust
Beryl Morris, Robert A. Hunt, The University of Melbourne

A Future Research Agenda for International Joint Ventures (IJVS) in South East Asia
Craig C. Julian, University of Southern Queensland

Predicting Bachelor’s Degree Graduation Case Study on Faculty of Science, KMITL, Thailand
Kanogkan Leerohanprasada, King Mongkut’s Institute of Technology Ladkrabang

Opportunities and Challenges of Conducting Interdisciplinary Research
Krishna S. Dhir, G. Keong Leong, Manus Rungtusanatham, University of Nevada Las Vegas

The Effectiveness of Training Evaluation
Hsin Hsin Lee, Aletheia University

Enterprise Resource Planning

Chris Hemstrom, Willem Selen, Macquarie University
An Innovative Postgraduate Program on Enterprise Resource Planning - Master of Business (ERP) Incorporating SAP R/3 System and Related Products
Prem Samaranayake, V. Jayaraman, University of Western Sydney

Business Process Reengineering and ERP Systems Benefits
Eric Y. Cheng, Ying Jen Wang, National Central University

Critical Factors Effect User Satisfaction and Impact of ERP System
Li-Ling Hsu, Yu-Te Weng, National Kaohsiung First University of Science and Technology

The Impacts of ERP Implementation
Jen-Yin Yeh, Chiung-Yen Chen, Fortune Institute of Technology

Finance

Corporate Governance and Business Ethics: the Challenges of Institutional Reform
Roby Rajan, John K.S. Chong, University of Wisconsin-Parkside Kenosha

International Portfolio Diversification: Empirical Bayes Approach
Tak-Kee Hui, Rady Kurniawan, Kok-Sun Mak, June Horng Shiesh, NUS Business School

Collateral, Relationship Banking, and Corporate Credit Risk
Shiow-Ying Wen, Chieh-Yun Tseng, Chang Gung University

The Disposition Effects of Investors in Taiwan's Futures Market
Shi-Woei Lin, Chih-Chen Liu, Hui-Lung Huang, Yuan Ze University

Financial Payment Innovation in Japan
Kanji Sahara, Nakamura Gakuen University

Value Relevance of Revenue and Revenue Growth
Lianzan Xu, Francis Cai, William Paterson University of New Jersey

The Asymmetric Foreign Exchange Exposure of Taiwanese Industries
Yi-Chein Chiang, Kuan-Ting Fang, Feng Chia University

Pricing and Hedging Performance of Taiwan Stock Index Options under Two-State Volatility Condition
Ender Su, Thomas W. Knowles, Min-Sun Horng, Feng-Jeng Lin, National Kaohsiung First University of Science and Technology

HR Management

Competitive Priorities of Chinese Manufacturing Companies Operating under Different Environmental Uncertainties
R.S.M. Lau, Ming C. Lo, Hong Kong University of Science and Technology

A Side by Side Comparison of Two Organizational Citizenship Behavior Models and Their Measures: Expanding the Construct Domain’s Scope
Denise M. Jepsen, John J. Rodwell, Macquarie University

Investigating the Dimensionality of Organizational Justice: Employees have their Voice
Denise Jepsen, John J. Rodwell, Macquarie University

Moderating Impact of Business Environmental Conditions, Quality and Plant Size on the Ability of Firms to Collaborate with Trading Partners
Prakash J. Singh, The University of Melbourne

IT Management
Consumer Co-Production in Product-Related Virtual Community – Does Community Management Matter?
HsiuJu Rebecca Yen, HsuanYu Sheila Hsu, College of Management National Central University

Successful Adoption of Smart Card and E-Payment System: Octopus Card in Hong Kong
Pui Yuk Chan, Xinping Shi, Sheung Man Yuen, Hong Kong Baptist University

Information Sharing Dynamics of Online Community: the Case of USENET Newsgroup
Kyung Woo Kang, Seung Kyoong Shin, University of Rhode Island

Does Organizational Citizenship Behavior Lead to Information System Success?
HsiuJu Rebecca Yen, Eldon Y. Li, College of Management National Central University

A Resource-Based Process-Oriented Model for Information Technology Capabilities: an Empirical Investigation
Fujun Lai, Xiande Zhao, Qiang Wang, University of Southern Mississippi

Michael J. Zhang, Sacred Heart University

A Review of Context-Aware Computing
Yun-mi Lee, Jong-yi Hong, Won-il Oh, Hyeon Kang, Eui-ho Suh, Pohang University of Science and Technology

Analysis and Comparison of Algorithm for Selecting Materialized Views in a Data Warehousing Environment
Jiratta Phuboon-ob, Raweewan Auapanwiriyakul, National Institute of Development Administration

Phenomenological Optimization Quasielastic Simulation for Medium Phenomenal Isotropic Liquid Crystal
Chia Fu Chang, Wi-Ci Chen, Zou-ni Win, Kun Shan University of Technology

Knowledge Management

Making Use of the Knowledge Spiral in Enterprise Knowledge Sharing
Chien-Hung Chen, Hsing-Hsin Lee, Wei-Min Cheng, Chich-Jen Shieh, Aletheia University

Non-Profit Strategy in the Knowledge Economy: an Intellectual Capital Perspective
Eric Kong, Charles Sturt University

Toward the Integrated Context-Aware Library Services
Chen-Chi Chang, Chien-Hsiang Liao, National Central University

Applying Ontology Mapping to Relevant Document Discovery
Eric Y. Cheng, Lena L. Shih, National Central University

Determinants of Knowledge Sharing Intention in Organization: a Social Capital Perspective
Hong-ping Sun, Xiang-yang Liu, Guangdong University of Business Studies

Improving Organizational Effectiveness through KM and QIT
Ling-Lang Tang, Cheng-Chuang Hon, Yuan Ze University

Knowledge Management through the Ontology Development: the Case of the Profit and Loss Account in Accounting
Tung-Hsiang Chou, Hsin-Lu Chang, National Chengchi University

Systematic Support in Managing Organisational Knowledge
Mik Kim, Wusheng Zhang, RMIT University

Can Knowledge Be Managed with Information Technology and What Effect the Attempt Has on Society?
Mik Kim, Wusheng Zhang, RMIT University

A Framework for Knowledge Risk Management
Arvinder P. S. Loomba, San José State University
Knowledge Marketing Metrics and Decision Making
Lynn L. K. Lim, University of Wales

Logistics and Supply Chain Management

Yi-Shun Wang, Yi-Wen Liao, National Changhua University of Education

E-SCM and ERP Integration at Neway: Challenges and Solutions
Indranil Bose, Raktim Pal, Alex Ye, The University of Hong Kong

The Dynamic Design of a Reverse Logistics Network for Repair Facilities
Hyun-Jeung Ko, Hokey Min, Korea Maritime Institute

A Decision Schema for Air Cargo Shipment Planning with Job Bidding and Resource Trading
Gang Chen, Lawrence C. Leung, Yer Van Hui, Sun Yat-Sen University

A Taxonomy of Supply Chain Integration in China
Baofeng Huo, Xiande Zhao, Winter Nie, The Chinese University of Hong Kong

A Conceptual Framework for the Analysis of Supply Chain Structure
Li Luo, Xuejun Xu, Xuelan Hua, South China University of Technology

Inter-Firm Collaboration and the Efficiency of Supply Chain
Yong-Kyun Chung, Se-Hyung Cho, Seung-Chul Kim, Kangwon National University

Collaboration as an Enabler in ICT Supply Chains
Norma J. Harrison, Macquarie University

Moderating Effect of Environmental Uncertainty on Supply Chain Strategy Formulation and Implementation
Yinan Qi, Xiande Zhao, Sum Chee Choung, The Chinese University of Hong Kong

Marketing

Product Characteristics and IJV Marketing Performance
Craig C. Julian, University of Southern Queensland

The Effect of Organizational Culture on New Product Development Management: a Contingent Approach
Jidae Kim, School of Business, Chungbuk National University

The Concept of Marketing Orientation and Its Role in International Joint Venture (IJV) Success
Craig C. Julian, University of Southern Queensland

Electronic Intermediaries and Trust-Building in Electronic Marketplaces
Yi Wang, Xinping Shi, Hong Kong Baptist University

Ziqi Liao, Xinping Shi, Hong Kong Baptist University

Operation Strategy

Strategic Grouping and Competition: a Structural Similarity Analysis of National Innovation Systems
Ning Li, Wai K. Law, University of Guam

Exploring the Compatibility of Dampening Procedures and Lot-Sizing Rules in MRP Systems under Uncertain Operating Environments
Chrwan-Jyh Ho, Oklahoma State University
A Heuristic Procedure for the Capacitated Coordinated Replenishment with Dynamic Demand and Backlogging  
Li-Lian Gao, E. Powell Robinson Jr., Hofstra University

The Historical Evolution of Manufacturing in Canada: Affective Factors and Lessons  
Jaydeep Balakrishnan, Janice B. Eliasson, Timothy R.C. Sweet, University of Calgary

Outsourcing and International Management

Entrepreneurial Aspirations - a Five Country Study  
Craig C. Julian, Siri Terjesen, University of Southern Queensland

International Small-Business Strategy: Is Practice Meeting the Challenge?  
Stuart Orr, Deakin University

An Empirical Investigation of IS Outsourcing Management Competence as the Antecedent of IOS Use  
Zhengzhong Shi, University of Massachusetts at Dartmouth

Relationship Quality of International New Ventures in Marketing Channel: a Conceptual Framework for Their Antecedents and Outcome  
Jay M. Wu, Dong-Jenn Yang, Chang Jung Christian University

Adding Value through Outsourcing: Contribution of 3PL Services to Customer Performance  
Damien Power, Moosa Sharafali, Vikram Bhakoo, University of Melbourne

An Empirically Study of the Factors and Consequences of Trust in Logistics Outsourcing Relationship: a Buyer Perspective  
Yu Tian, Qi Yan, Yuxia To, School of Business of Zhongshan University

Production and Operation Management

Study on Flexible Labor Pool Management Model  
Yixun Guo, Zhiduan Xu, Xiamen University

Channel Strategy and Dynamic Strategic Design – Simulated Experience  
Wai K. Law, The University of Guam

Joint Determination of Salesforce Incentives and Inventory Control with Demand Uncertainty  
Ying Wei, Frank Y. Chen, The Chinese University of Hong Kong

Nash Equilibrium Point in an Inventory Model with Two Retailers and Discrete Demands  
Hitoshi Hohjo, Osaka Prefecture University

Product Acquisition Management with Consideration for Product Quality  
Kenichi Nakashima, Osaka Institute of Technology

Production Management

Toward an Integrated Open Source Quality Model – a Process-Based Approach  
Michael Amberg, Steffen Möller, Christoph Schrey, Friedrich-Alexander-University Erlangen-Nueremberg

Software Process Management in Taiwan's Top 1000 Companies: a Longitudinal Analysis  
Eldon Y. Li, Houn-Gee Chen, Timon C. Du, National Chengchi University

An Examination of Process Planning Procedures for Assembly Lines with Workers of Different Work Abilities.  
Jiahua Weng, Masaharu Banno, Hisashi Onari, Waseda University

Linking Customer Productivity and Service Excellence in the Global Tourism Industry  
Zoher Shipchandler, Indiana University
Quality Management

Phan Chi Anh, Yoshiki Matsui, Yokohama National University

The Effects of Total Quality Management on Firm Performance: Evidence from Taiwan Information-Related Industries
Chin S. Ou, Fang C. Liu, Yu C. Hung, David C. Yen, National Chung Cheng University

Assessing Electronic Service Quality from Self-Service Perspective
Xin Ding, Paul Hu, Olivia R. Liu Sheng, University of Utah

Coalignment between Environmental Uncertainty and Quality Management -a Configurational Perspective
C.H. Ng, Xiande Zhao, M. Rungtusanatham, Chinese University of Hong Kong

Statistics and Decision Analysis

Comparison of Estimators in Finite Population Sampling on Successive Occasions
Bongkoj Wibultananun, Prachoom Suwattee, The National Institute of Development Administration

A Comparative Study of Robust Estimates in Regression
Shi-Woei Lin, Yuan Ze University

Analysis of Variance with Pareto Data
Lakhana Watthanacheewakul, Prachoom Suwattee, Maejo University

Nonparametric Comparison of Two Regression Functions
Pimtong Srihera, Winfried Stute, National Institute of Development Administration

Permutation Test for a Multiple Linear Regression Model
Siriwan Tantawanich, Pachitjanut Siripanich, Huachiew Chalermphakiet University

Supply Chain Management

First Move and Second Move Strategies for RFID Adoption
Xinping Shi, Pui Yuk Chan, Sheung Man Yuen, Hong Kong Baptist University

Supply Chain Forecasting in a Government Owned Corporation
Don Kerr, Griffith University

Food Supply Chain Design: Case of White Shrimp Industry in Thailand
Walailak Atthirawong, Ninlawan Choomrit, King Mongkut’s Institute of Technology Ladkrabang

A Taxonomic Review of Supply Chain Information Sharing Research
Qiang Zhou, The Chinese University of Hong Kong

Study on Relationship between Dynamic Environment and Trust in Supply Chain
Zhuojun Xie, Xuejun Xu, Xiande Zhao, South China University of Technology

The Determinants of Postponement: a Review and Cases in the Pearl River Delta (PRD)
Min Zhang, H.Y. Jeff Yeung, The Chinese University of Hong Kong

Study on Deadlock of Supply Chain Linkage Supporting Resources: a Case Analysis Based on CPN Tools
Linyan Sun, Xuesong Guo, Xi’an Jiaotong University

Research of Environmental Factor in Supply Chain Trust
Zhuojun Xie, Xuejun Xu, Yaxin Han, South China University of Technology

Information Sharing in Supply Chain Management in Fuzzy Environment
Xin Gao, Xiande Zhao, Deming Zhou, Tsinghua University
The Retailer’s Attitudinal Commitment and the Supplier’s Use of Power
Yi Liu, Liping Qian, Yuan Li, Xi’an Jiaotong University

Technology Management

The Policy Impact of Public Sponsored Research & Development Program in Taiwan
Chien-wen Huang, Jen-Chun Lo, Pin-Yu Chu, National Sun Yat-sen University

Telecommunication Management

A Study of the Impact of Call Center Employees’ Satisfactions in Thailand Mobile Service Providers
Krittiyaporn Seangsutha, Chirasil Chayawan, King Mongkut’s University of Technology Thonburi

A Total Network System Development Method
Nancy Tsai, California State University

Bluetooth User-Driven Mobile Advertising System
